

310T Mechanic

Location: Fort Erie Branch

Switzer-CARTY Transportation Inc. is currently seeking a licensed Class 310T Mechanic for our Fort Erie branch. Dual certification with a Class 310S license is considered a strong asset. We encourage everyone to read the Company Reviews section on Indeed to read what others say about working at Switzer-CARTY.

There are many benefits to joining the Switzer-CARTY team such as:

- Competitive wages
- Straight day shifts, Monday - Friday
- Health and Dental Benefits
- RSP plan
- Employer paid license renewal: generous tool and boot allowance

Responsibilities:

This position will be a full-time position reporting to the Shop Manager. Hours are predominantly days, Monday through Friday although some overtime may be required on a seasonal basis. Switzer-CARTY operates a newer fleet and has a thorough maintenance program driving quality and reliability.

- Performs scheduled and emergency services and maintenance to fleet vehicles (school buses) in accordance with maintenance schedule
- Ability to diagnose mechanical and electrical problems using diagnostic equipment and make recommendations on the best course of action
- Perform brake, safety and emissions inspections in accordance with Ministry and company standards
- Perform emergency road breakdown repairs. May provide trouble shooting advice to vehicle operators
- Works with driver and supervisor in diagnosing problems and repairs needed
- Performs inspections and repairs to wheelchair or other ramps, hoisting or lifting devices
- Maintains records of maintenance performed, parts and supplies used.

- Ensure vehicles operators have access to necessary supplies such as fuel, oil and other fluids
- May assist in inclement weather in ensuring fleet starts and is in proper condition to meet service hours
- Perform repairs and assist in maintenance of building
- Maintains a clean and safe workplace

Qualifications:

- Truck and Transport mechanics license (Class 310T) with experience working on gasoline and diesel engines is required. Dual certification with an Automotive Service Technician license (Class 310S) is considered a strong asset.
- Must hold a valid automobile drivers license (class "G" in Ontario)
- Must be able to properly complete written work orders and communicate with management, dispatch and drivers
- Must have strong communication/organizational skills
- Basic computer skills are required and capability of using OEM diagnostic software and tools
- Good knowledge of geographic locations
- Ability to organize and prioritize is integral to this position along with time management and the necessary follow-up required to ensure task completion

Pay: From \$36.72 per hour.

To apply: Please send your resume to Shop Manager, Ken Nuxoll at Ken.Nuxoll@switzer-carty.com.

Switzer-CARTY thanks all interested applicants, however only those selected for an interview will be contacted. Switzer-Carty welcomes applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

Role Status: new role
